

## VIRTUAL CARE

Avoid the wait with MDLIVE. Members have 24/7 access to consult with a board-certified doctor by phone, secure video, or MDLIVE App— anytime, from anywhere. The average wait time less than 10 minutes to see a state-licensed, board-certified physician averaging 15 years of practice experience and family members are also eligible to use this program!

**Unlimited access for only \$17.00 a month.**

This is not insurance - it is a subscription-based health services product  
\*Spouse and dependents included

**Today's healthcare system can be confusing and frustrating making you spend more than you need to.**

HealthWallet was built with this problem in mind. We deploy a suite of best-in-class digital healthcare technology features to bring convenience and transparency to the already complex and confusing healthcare system. We put our members in control of their health costs. Through on-demand access to providers and the ability to understand the cost for prescriptions and medical procedures before they get them. We achieve all of this through one extremely user-friendly and cost-effective mobile app experience.

### My Plan Info

A centralized location with current medical insurance plan design information, real-time deductible-utilization and the capacity to hold up to 15 electronic ID cards

### TeleHealth

Unlimited access to a national network of licensed doctors via telephone or video chat, who can help to diagnose and even prescribe in real-time directly from your mobile device

### User Engagement

Receive important reminders about plan updates, benefit changes, feature updates and tips on how to access cost-effective and convenient healthcare whenever you need it.

### RX Market

Search for any prescription to see what the pharmacies around you are charging for the drug, The Rx Market has an embedded manufacturers discount code for prescription savings.

### Medical Market

Now you can search for anything from an allergy shot to a cardiovascular bypass using the current location of your mobile device, and see what different facilities are charging

### Text a Health Expert

Immediate and unlimited access to network of medical experts who are standing by via text waiting to lend their instant advice and medical opinions for those times when texting is your only option

## VIRTUAL CARE + RX
